<b>Were you able to undertake your project as planned?</b>	Yes
<b>If no, please outline how the project has changed.</b>	
<b>Can you describe and/or demonstrate the specific impact that TFN funding has had against your initial objectives?</b>	<p>We were able to provide 4 teachers and two administration staff for the then forthcoming academic year as well and providing some materials including 10 sewing machines. We attracted more students and we are now able to plan positively for another academic year. The students came mainly for surrounding villages. We need to increase this number as well as get our village - Agome Sevah more interested.</p> <p>We are very happy with another improving year in terms of the overall facility and are very grateful to TFN and our supporters for being able to do so</p>
<b>What portion of the project did TFN fund?</b>	90%
<b>How many direct beneficiaries did the TFN funded project reach?</b>	We had 15 students and 6 staff plus a caretaker making a total of 22
<b>How many indirect beneficiaries did the TFN funded project reach?</b>	Each person has on average 6 in a household making a total of 132 plus many more are now aware of the opportunities that exist in the village and in this facility
<b>Were you able to leverage further funding as a result of TFN support?</b>	Yes
<b>If yes, how much were you able to raise?</b>	Because we were able to obtain the TFN money it gives others confidence in our ability to deliver. As such we would estimate that we received another £4000 for other projects
<b>Did you receive any pro-bono support, volunteer offers or introductions as a result of the event?</b>	No
<b>If yes, please can you provide details of the support you received?</b>	
<b>Has the training you received</b>	Yes

## TFN Impact Report

<b>from TFN better prepared you in pitching your organisation to potential funders?</b>	
<b>Has TFN increased your capacity to raise further funds?</b>	Yes
<b>How important was TFN funding in helping you achieve your objectives?</b>	We would have found it difficult to achieve our objectives without TFN funding
<b>Since presenting at TFN, has your organisation undergone any other significant changes?</b>	No.
<b>Do you have any other comments or feedback on the experience of the TFN process?</b>	The TFN experience was great and one of which we are very very appreciative. Our sponsors were and still are extremely encouraging all which helps gives us the energy and motivation to keep going on an extremely challenging project. We also came along to another TFN evening to give back to other worthwhile charities
<b>Can you tell us any personal stories to highlight the value of the project?</b>	The Willmott Dixon 4Life Academy is part of our overall strategy to make this remote community self sufficient. Because we were able to provide funding for another year it gave the community another year to come to terms with what being self sufficient means and make moves towards it
