

## Report back to The Funding Network

**1. Name of your organisation and date funded by TFN:**

WORKAID: Funded October 2014

**2. What was the project you sought funding for from TFN?**

**What are its aims and objectives?**

To provide tools & equipment to vocational training projects to enable people living with HIV/AIDS to acquire skills so that they can learn a trade and become self-supporting.

**Have these changed since receiving TFN funding?** No

**3. Were you able to do this work as you described it in your application and presentation?**

Yes

No

**What evidence do you have for the success or failure of the funded project?**

As a result of the Ugandan government changing the rules for the import of goods, we have had a six month delay in shipping the equipment.

**4. If you were not able, please explain what happened and why?**

**Can you quantify any changes? Eg ...expanding number of employees, number of projects, geographical scope.**

The rule changes meant that we had to reorganise our packing methods and associated paperwork in order to comply with the Ugandan government's new requirement on pre-inspection of all containers. We have now resolved this. Pre-inspection is now complete and we are confident that the container will be shipped by the end of October 2015.

**5. Can you measure, assess or describe the change that happened as a result of this work?**

**What actual change did the funded project generate? What proportion of the project/work did TFN fund (eg all/x%)?**

We will be able to give this feedback by the middle of 2016.

**6. As a result of presenting at TFN, did you experience any of the following;**

new subscribers to your mailing list

new volunteers to your organisation

further funding from individual donors

further funding from institutional funders

an introduction that benefited your organisation (e.g. to an individual, business or other organisation)

other benefit (please describe)

**7. Could you give us an estimate of how many people have been reached by the TFN funded project/work and by how much?**

**8. Can you tell us any personal stories to highlight the value of funding from TFN?**

**9. Since presenting at TFN, has your organisation undergone any significant change(s) which our donors would be interested to know about (these changes do not need to be related to the experience of presenting at TFN).**

**10. Do you have any other comments regarding TFN funding?**

The funding received via TFN has been very important in enabling us to find a solution to the issues created by the changes in the Ugandan governments requirements on import.

We also felt that the format used was an excellent opportunity to present the work we do to a new audience.

**11. Can you please include any relevant photos or clips that may relate to the project.**
