1. Name of your organisation and date funded by YTFN:

2. What does your organisation do?

i.e. What are its aims and objectives?
Remove financial barriers to education.

3. Can you describe/measure the impact that the specific YTFN funded project/work has had?

What you did with the funding? What actual change did the funded project generate? What evidence do you have for the success or failure of the funded project?

Fund our prototype website, help our first two students get funded. They both got funded for their studies and through their education, changed their lives and are now changing the lives of others.

4. Could you give us an estimate of how many people have been reached by the YTFN funded project/work and by how much?

2 people were deeply impacted. As a result of those case studies, 15 lives have changed over the past year. Many more will be changed over the next few years.

5. Do you have any other comments regarding YTFN funding?

Thank you so much!
